

The logo for NEXEN WORKSHOP is centered on the left side of the slide. It consists of a large white circle with a subtle drop shadow, containing the text 'NEXEN' in a bold, sans-serif font with an orange 'X', and 'WORKSHOP' in a smaller, spaced-out font below it. Two smaller orange circles are positioned behind the main white circle, one to the left and one to the right. Several thin, dark grey curved lines radiate from the center of the white circle across the left side of the slide.

What is NEXEN ? WORKSHOP

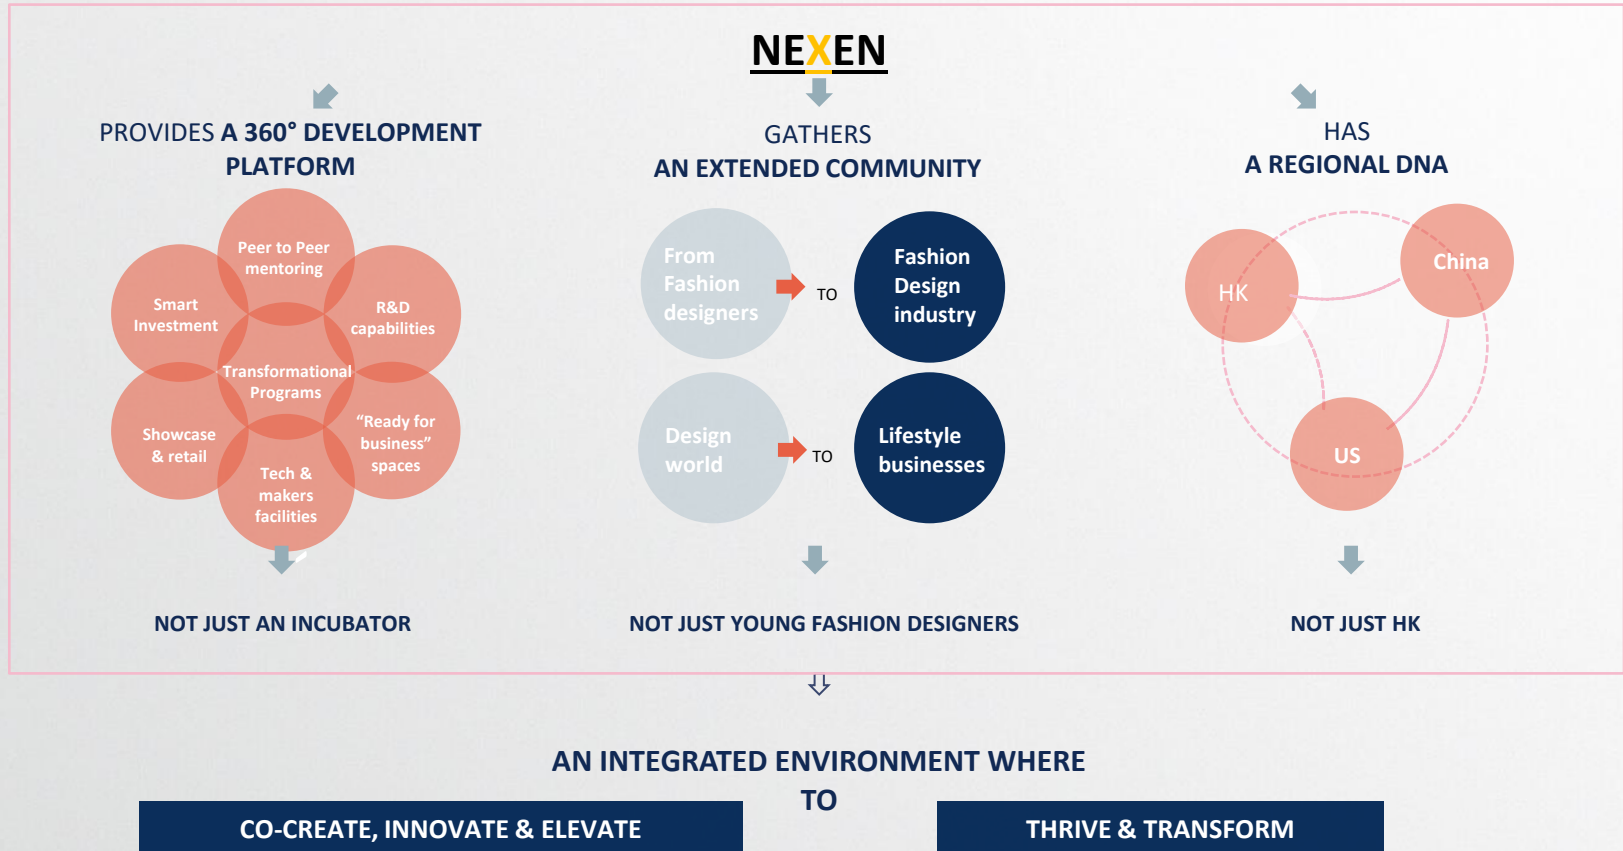

Born from an acute observation of the current realities and a vision for the future, Nexen is:

Nexen is a comprehensive development platform for creative entrepreneurs and ambitious individuals. It offers transformational programs, shared knowledge resources, peer-to-peer mentoring, and 'business-ready' spaces.

Set within unique regional environments equipped for research and development, Nexen provides opportunities for innovation, co-creation, and growth.

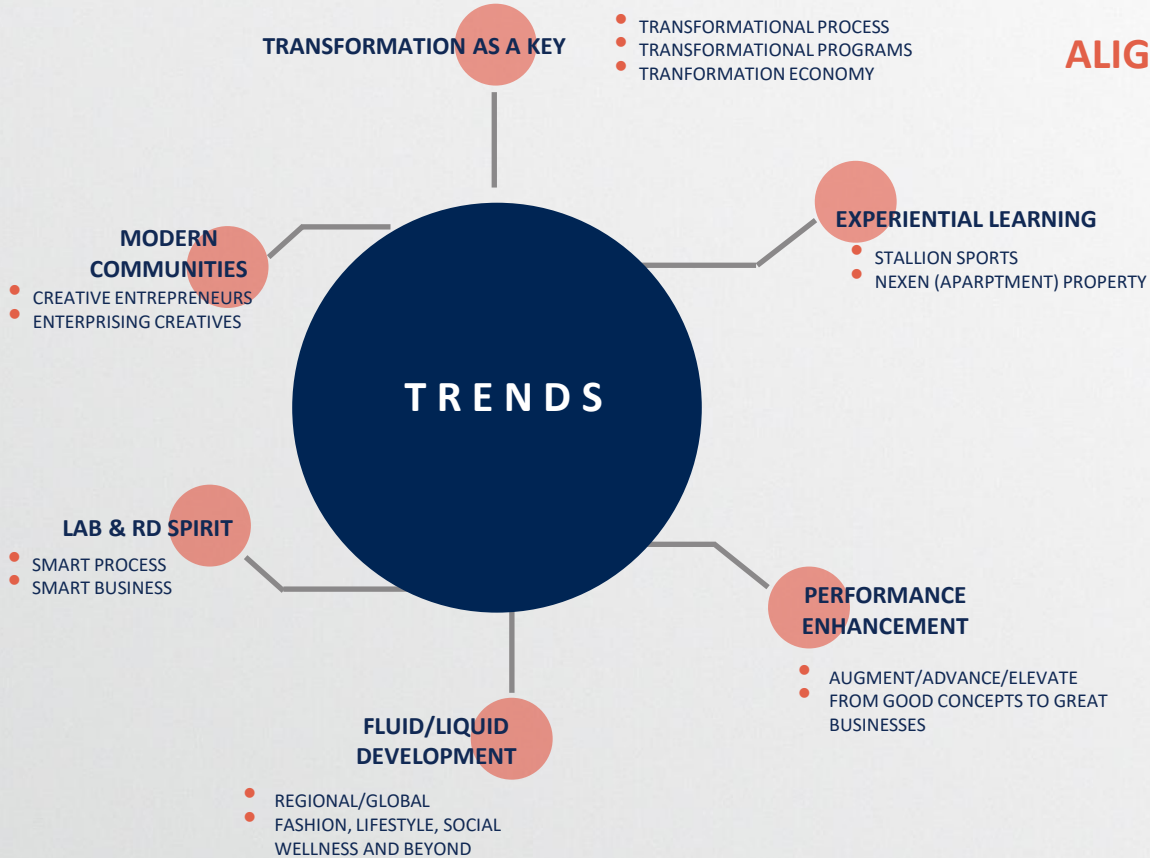

Introducing Nexen Lab, our latest initiative designed to foster growth in industries such as art studios, audio-visual recording, design and media production, specific creative industries, and research, design, and development centers. Nexen Lab offers more than just workspace; it provides the foundation for these companies to incubate, innovate, and flourish.
